

McDOLE WILLIAMS

A PROFESSIONAL CORPORATION

McDole Williams, PC, is a leading commercial litigation boutique that represents clients in select cases involving high stakes issues.

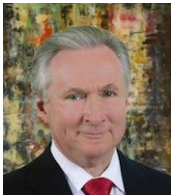

The firm practices primarily in the field of complex commercial litigation and intellectual property litigation, with a wealth of experience in antitrust, patent, trademark and copyright infringement, misappropriation of trade secrets, and business technology disputes including computer hardware and software. We also represent clients in commercial disputes involving securities litigation, FINRA arbitration and general litigation.

Our mission is to work collaboratively with our clients to achieve their business objectives in a cost effective and results effective manner. We all share the common goal of synergistically delivering the highest quality legal service to our clients.

We strive to create and promote a working environment where every person's pursuit of excellence and service in the betterment of our clients, community, profession and firm is encouraged and rewarded.
